Volumes 1-9 on sale now!

Hi, again! Just so you know, the official Volume 9 translation is out now, and I'm sure that Volume 10 is soon on its way. Please support the authors by buying their works. In fact, the official translators probably put out a much better end product than I ever could. The Kindle versions are all less than 7 USD on Amazon (Japan or USA). That's really not expensive at all, and you'll feel better about yourself.

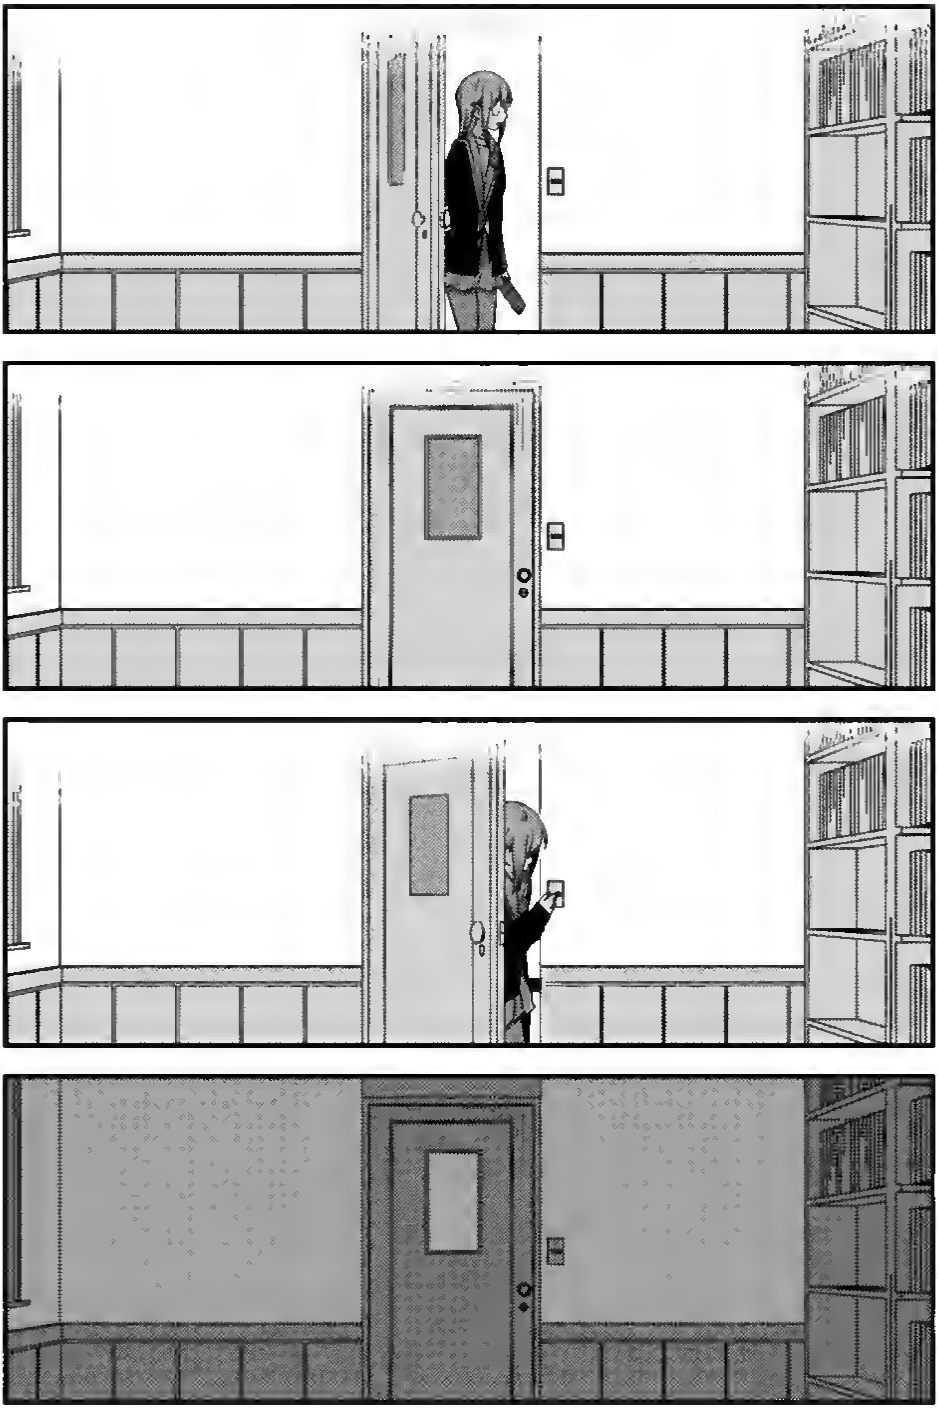
March



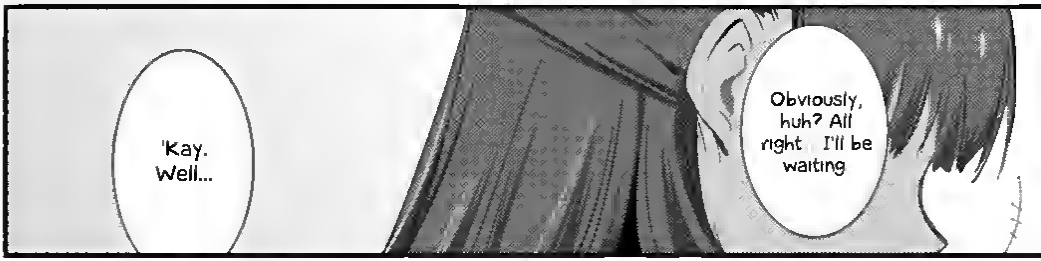
Kyon-kun, I leave this child in your hands
Yeah.
Waaaah

You mustn't let Kyon-kun do indecent things with you, okay?
But, Nagato-san, don't rely on Kyon-kun too much.
...Okay.
Hey!

Yeah, I know.

Huh?
I'm not gonna cry, you know.

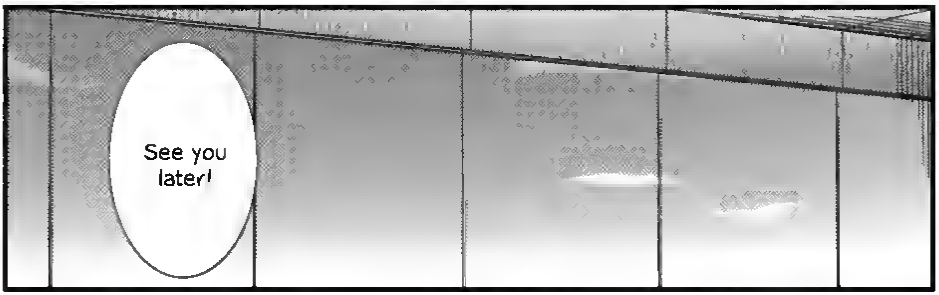
Obviously.
You will be coming right?
Just... give me a call when you're over there.



'Kay. Well...
Obviously, huh? All right. I'll be waiting.

See you later!

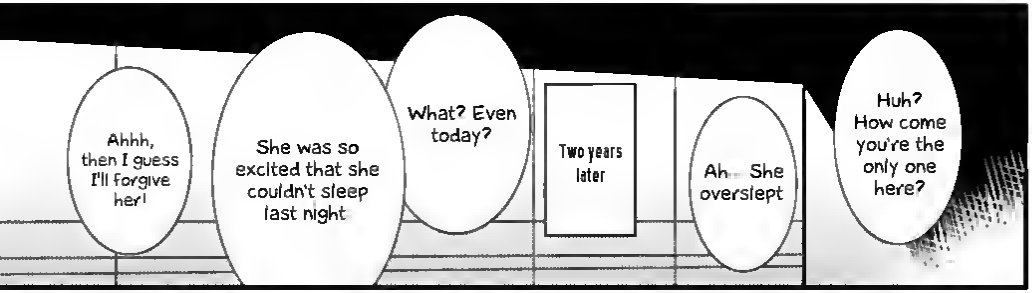
Yeah!



See you later!

We'll meet again soon...

Hey! Welcome back!
I'm home.



Ahhh, then I guess I'll forgive her!
She was so excited that she couldn't sleep last night
What? Even today?
Two years later
Ah— She overslept
Huh? How come you're the only one here?
